(Note) *Monthly sales in the table above are based on preliminary figures and subject to change going forward.

*Our existing stores are defined as the GEO group stores that have been conducting retail outlet operation for over 12 full months.

*The number of store at the end of the month is counted for each shop name.

*These figures above are not audited by an auditing company.

The Company decided to end disclosure of the Monthly Retail Data on March, 2018 due to a possibility of causing a misunderstanding to make investment decisions as the business performance including profit based on the only monthly store sales is obscure although the Company has been disclosing the Monthly Retail Data to our shareholders and investors to promote greater understanding of the corporate information.
